

Babylon's Peak winery, situated in the Paardeberg mountain, is privately owned by the Basson family who has passed down the tradition, passion and art of winemaking over four generations.

Our focus is 'Rhone'-varietals as well as Chenin Blanc and Pinotage. The age of our vines, unique terroir, granite soils and dryland conditions contribute to our wine style. Utmost care is taken to preserve the character and terroir of the Paardeberg in our wines.

SHIRAZ/CARIGNAN 2019

Characteristics: Complexity and concentration of fruit.
 Both cultivars compliment each other beautifully.
 Dark berry flavours are complimented by spicy undertones with a soft mouthfeel that lingers on the palate.

Vinification: The grapes were handpicked with great care and destalked only. A 48 hour cold maceration period was given prior to fermentation to extract colour and fruit. Skins were gently pressed after fermentation. Malolactic fermentation (MLF) took place in barrels. Once MLF was done, the cultivars were blended and spent a further 10 months in French oak barrels.
